CEM MICROWAVE-ENHANCED CHEMISTRY FUNDING APPLICATION

Guidelines

1. The research must be conducted using a CEM instrument.
2. Funds will be awarded at three levels:
 - a) up to \$2,000 for new research grade instrumentation;
 - b) up to \$1,000 for teaching lab instrumentation; or,
 - c) up to \$500 for upgrading current CEM instrumentation.
3. The researcher must submit a research proposal with the application. Applications and proposals will be held confidential.
4. All researchers will be notified in writing of the proposal's acceptance and the level of funding awarded or denial within 30 days of the submission deadline. Award levels and number of awards given are at the sole discretion of the CEM Grant Committee.
